*** **92** Rodney Strong Symmetry Meritage Alexander Valley 2006, \$60.

This very deeply draughted offering is at once impressively extracted with loads of incisive Cabernet fruit and rich oak to spare and surprisingly polished for the young wine that it is. It is full and weighty with a fine supple feel despite the presence of ample varietal tannins, and it lingers wonderfully at the finish with the taste of cassis outlasting all else. It is guaranteed to grow for years to come.
