## ALEXANDER'S CROWN CABERNET SAUVIGNON

ACCLAIM FOR THE 2008 VINTAGE

**92 points, *Wine Enthusiast*, December 2011**

"There's lots of satisfyingly rich fruit in this smooth, soft 100% Cabernet Sauvignon. Brims with the essence of blackberries and black cherries, with sweet toasty oak and some heat from alcohol. It's a decadently appealing wine to drink over the next few years."

**93 points, *Wine Spectator*, September 2011**

"Very ripe, but also quite polished, fleshy and creamy with tiers of spicy berry, vanilla, black licorice and plum flavors. Full-bodied, finishing with a berry jam burst and fine-grained tannins."

**92 points, *Connoisseurs' Guide to California Wine*, December 2011**

Ripe currants, cherries and a light touch of raspberry in the nose set this solid and supple full-bodied effort out on a very promising path, and the ripe flavors that follow do not disappoint. Its ample oak is well-matched to fruit, and, while it has plenty of substance and Cabernet heft, it does not come across as being at all heavy. It is tannic enough to want keeping but not so much that it will require too many more years before really hitting its stride, and we expect that four or five years should be just right."

ROCKAWAY  
CABERNET SAUVIGNON

ACCLAIM FOR THE 2007 VINTAGE

94 points, *Wine Enthusiast*, May 2011

“Made from 100% Cabernet grown in a hilly part of the valley...  
extraordinarily rich and explosive in blackberry tart, black cherry pie and  
cassis flavors, and feels dramatic in the mouth. Should easily improve over  
the next decade.”

91-93 points, *Robert Parker’s Wine Advocate*, December 2008

“The 2007 Cabernet Sauvignon boasts an inky/purple color as well as  
black and blue fruits that cascade over the palate, gorgeously sweet  
tannins, low acidity, a plush, seamless mouth-feel, and a lavish finish. It  
will drink beautifully when released, and keep for 15 or 16 more years.”

90 points, *Wine Spectator*, May 2011

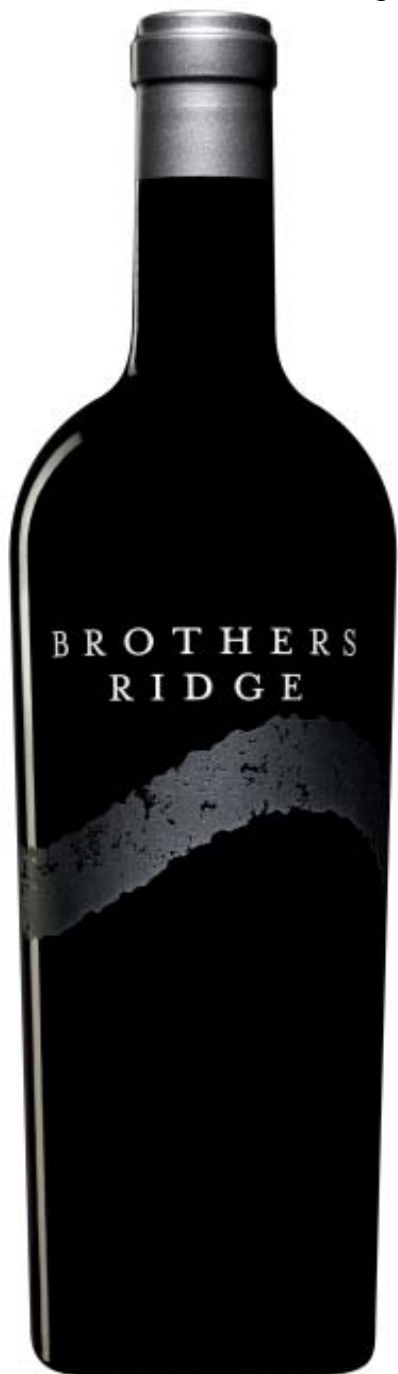

“Tight and well-structured, showing complex cedar, tobacco, dried  
currant and berry flavors, with touches of mineral, nutmeg and black  
licorice. Full-bodied, well-focused and very detailed on the finish.”

BROTHERS RIDGE  
CABERNET SAUVIGNON

ACCLAIM FOR THE 2007 VINTAGE

**93 points, *Wine Enthusiast*, May 2011**

“This nearly 100% Cabernet is strongly flavored...the concentrated richness of grapes grown on low-yielding hillsides. Intense flavors of blackberries, black cherries, cassis, cola and herbs mark this fine, ageable wine.”

**91 points, *Wine & Spirits*, June 2011**

“This vineyard in the hills east of Cloverdale rises to 1,000 feet, its western exposure ripening cabernet to exotic levels of richness. The 2007 is a heady black wine – smoky with oak, packed with scents of date and fig, balanced by mineral tannin to cut the ripe fruit sweetness. What lasts is a dark savor. It’s the kind of big, meaty red that’s pure pleasure with a ribeye.”

**90 points, *Wine Spectator*, May 2011**

“Firm and complex, with a tight range of cedar, dried currant and blackberry, cherry, mineral and loamy earth flavors. Full-bodied, tight, focused and well-structured, with a long finish. Drink now through 2022.”

**90 points, *Connoisseurs Guide to California Wine*, April 2011**

“...full, weighty and very rich,..with sustained black cherry fruitiness. Richness...will remain its forte. Sure to improve and wants five or more years of age.”
