SAUVIGNON BLANC  
CHARLOTTE'S HOME  
SONOMA COUNTY

“The 2018 growing season provided the perfect environment to grow exceptional Sauvignon Blanc. This amazing fruit has turned into one of the best Sauvignon Blancs I have ever made.” —Justin Seidenfeld, Winemaker

Alexander Valley, Dry Creek Valley and the Russian River Valley provide the ideal setting for classic Sonoma County Sauvignon Blanc.

#### FAMILY OWNED, SONOMA GROWN

Since 1959, Rodney Strong Vineyards has focused on modern artisan winemaking, exclusively from Sonoma County, California. Our family-owned winery has always been about our commitment to quality wines and protecting our resources for the future. We are solar powered, certified sustainable, practice Fish Friendly Farming and were the first winery in Sonoma County to offset our carbon footprint.

Rod Strong established our heritage Sauvignon Blanc vineyard in 1971, naming it Charlotte's Home in honor of his wife. Today that vineyard remains the core of our Charlotte's Home Sauvignon Blanc, along with other select estate vineyards in the Alexander Valley, as well as the Russian River Valley and Dry Creek Valley.

Our Charlotte's Home Sauvignon Blanc is grown in vineyards where well-drained mineral rich soils join with sun drenched days and cool evenings. This ideal setting allows for a light, crisp and highly aromatic Sonoma County style Sauvignon Blanc, one that radiates bright citrus, peach and exotic tropical flavors.
