2013 A TRUE GENTLEMAN'S PORT  
RESERVE

**AT RODNEY STRONG VINEYARDS** we focus on modern artisan winemaking, exclusively from Sonoma County, California. Our family-owned winery is committed to quality wines and to protecting our resources for the future. We are solar powered, certified sustainable, practice Fish Friendly Farming and were the first to officially offset our carbon footprint in Sonoma County.

**HISTORY**

A True Gentleman's Port is named in honor of our friend, advisor, and much loved family member, Dick Klein. He loved life, his friends, his family and the camaraderie of all occasions.

**PHILOSOPHY**

In the "Port" wines of Portugal, there is a legally defined set of allowable grape varieties that reflects the long tradition of the region. Here in Sonoma County we believe that the best grapes for making Port styled wines are those that have great fruit flavor, a fine depth of character, and excellent color. For this release we have chosen primarily Zinfandel and Malbec, with lesser amounts of Syrah and Touriga. The combination of these varietals, from five of our best vineyards, results in a wine with balanced sweetness, powerful flavors, and an unctuous texture that glides on the palate, and lingers. Because of its sweet and special nature, Port is generally considered a dessert wine. It can easily be enjoyed by itself, or with a selection of cheeses, nuts, or even dark chocolate.

**TASTING NOTES**

The 2013 A True Gentleman's Port has aromas and flavors of ripe blackberries, blueberry, cinnamon, vanilla and chocolate. Due to its sweet, rich and special nature, Port is generally considered a dessert wine. A True Gentleman's Port can be enjoyed on its own, or with a selection of fine cheeses, dried fruits as well as dark chocolate desserts, especially a torte. Enjoy the suppleness of this Port now or cellar for added complexity.
