## RESERVE PINOT NOIR VINTAGE 2016

# 90 POINTS

"The 2015 offered a sea change in style and the 2016 treks down the new path too. A lighter, more translucent red colour previews a soft, spicy, cedar, forest floor affair that spills across the palate. The attack is silky and very spicy with a mix of twiggy, earthy, red fruit, along with a more ethereal Russian River style long on silky textures but without the heat and power of many of its brethren - and less sweetness. This is a very good direction with more complexity and interest and with a balance that makes it more food friendly. Bravo Rodney Strong." - A.G. MARCH 2019
