

ROWEN WINE CO.

2016 ROWEN RED BLEND

91 POINTS
APRIL 2020

"57% Cabernet Sauvignon; 20% Malbec; 20% Syrah; 3% Viognier. This multi-varietal blend does not pretend to be a classic Cabernet, but that does not stop it from being a decidedly involving wine that is as complex as it is rich, and it exhibits an especially fine winemaking hand with judicious oak, suggestions of toasted herbs and trim bit of a vanillin sweetness extending throughout its very considerable length. It is rich, well-extracted and marvelously long on the palate, and just as we were impressed by ROWEN's previous Red Wine offerings in 2014 and 2015, we are once again. This is a label well worth watching. **GOOD VALUE.**" - S.E.
