OUR STORY

Started in 1959 by Sonoma County pioneer Rod Strong and led by the Klein family since 1989, Rodney Strong Vineyards is a family of passionate people committed to crafting premium wines, great experiences and delivering a vision for sustainability in Sonoma County. We are united by our passion for wine and the belief that nothing brings people together better than sharing a great bottle of Rodney Strong wine.

HISTORY

This wine is a delicate process in which our artisanal winemaking craft is carefully balanced with innovation from one of the world's best Pinot Noir region—the Sonoma Coast in Sonoma County.

VINTAGE AND VINEYARD

The 2021 vintage turned out to be a fantastic growing season, with no frost and very mild temperatures throughout most of the year. However, the unpredictable spring rains ended in March in what would become one of the driest seasons on record in Sonoma County. Predicting an early harvest due to the dry conditions, we were surprised to find flavors and high acidities in the berries dictating the need for patience. With everything in balance, we harvested August 16-September 24.

TASTING

The beautifully colored, fresh and vibrant Rosé of Pinot Noir has aromas and flavors of strawberry, melon and tropical fruits. Brilliant and bright with fresh acidity, notes of citrus and a clean finish, enjoy this Rosé of Pinot Noir with goat cheese, fresh Thai food dishes or spicy shrimp tacos.
