HISTORY

Protected from direct Pacific Ocean influence, Knights Valley is the easternmost Sonoma County appellation - known for its warm days and cool nights - and is the warmest viticultural region in the county. The valley lies between the Alexander Valley and Chalk Hill wine regions to the west and is situated at the foot of Mount St. Helena to the north. The valley's beauty and mineral-rich volcanic soils make it well suited to quality viticulture.

THE VINTAGE AND VINEYARD

2019 was another fantastic vintage in California. In Sonoma County it started with a copious amount of rain saturating the soil in late winter and early spring. Early summer heat waves acclimated the vines to warmer weather, which allowed the grapes to withstand a later heat spell in August, moving the sugars higher and allowing flavors to ripen.

TASTING

Our 2019 Knights Valley Cabernet Sauvignon is deeply colored and bursting with aromas of crushed blackberries, spicy dark plum, dusty cocoa powder, cassis and wild raspberry. The complex layers of spice, red fruit and chocolate on the palate are framed in rich, velvety tannins with a long lingering finish. Enjoy this Cabernet Sauvignon now with braised short ribs, ravioli or lamb shanks, or cellar it to enjoy over the next 3 to 5 years.
