HISTORY

This wine is a delicate process in which our artisanal winemaking craft is carefully balanced with innovation from one of the world's best Pinot Noir region—the Sonoma Coast in Sonoma County.

THE VINTAGE AND VINEYARD

The 2024 vintage in Sonoma County offered consistent warmth and beautiful sunshine resulting in wines of remarkable richness and character. The season began with replenished soils from a long rainy winter. Moderately warm, dry, and temperate Spring weather from budbreak through flowering allowed for healthy fruit set. The summer heat ramped up with temperatures consistently in the upper 90s throughout August and early September, providing the vines with the necessary warmth for optimal ripening, while the Sonoma Coast's cool nights and morning breezes off of the Pacific Ocean and San Pablo Bay helped preserve freshness.

TASTING

The beautifully colored, fresh and vibrant Rosé of Pinot Noir has aromas and flavors of strawberry, melon and tropical fruits. Brilliant and bright with fresh acidity, notes of citrus and a clean finish. Enjoy this Rosé of Pinot Noir with goat cheese, spicy shrimp tacos, fresh Thai food dishes or enjoy it by itself on a summer afternoon.
