## OUR STORY

We at Rodney Strong are united by our passion for crafting the highest quality wines from the very best vineyards across Sonoma County. With over 60 years of family ownership and 1,158 acres of estate vineyards, we exemplify Cabernet and what it means to be world class Sonoma quality. We are united by our passion for Sonoma County and the belief that nothing brings people together better than sharing superb experiences with a great bottle of Rodney Strong wine.

## HISTORY

Our Reserve wines are the result of a careful blend of individual lots from meticulously farmed sections of some of the very best vineyards in Sonoma County. Created in our small lot Artisan Cellar, Winemaker Justin Seidenfeld employs techniques such as cluster pre-sorting and extended maceration. With small tanks and equipment sized for the most discriminating vineyard selection process, our cellar is state-of-the-art and represents the Klein family commitment to producing the finest wines possible.

## THE VINTAGE AND VINEYARD

2020 was notable for being another dry growing season, with only a few brief showers throughout spring, milder weather through most of the year and significantly lower yields at harvest. Moderate temperatures kicked off the season in early summer, picking up into warmer days with afternoons in the 90s in August leading to ideal ripening conditions for our heat-loving red Bordeaux varieties. We harvested the fruit from September 12 through the 30th to make this beautifully complex wine.

## TASTING

The 2020 Symmetry is a blend of our best vineyard blocks, cherry picked to showcase luxurious aromas of cassis, bramble, and cacao which unfold on the palate into silky layers of dark fruits, sweet spices and a supple, rich mouthfeel. This wine is harmonious and elegant with refined tannins and a long, lingering finish, providing a lovely compliment to your dinner table. Enjoy this wine now with beef stew, grilled pork tenderloin or an assortment of roasted vegetables, or cellar for enjoyment for years to come.
