HISTORY

Our Reserve wines are the result of a careful blend of individual lots from meticulously farmed sections of some of the very best vineyards in Sonoma County. Created in our small lot Artisan Cellar, Winemaker Justin Seidenfeld employs techniques such as cluster pre-sorting and extended maceration. With small tanks and equipment sized for the most discriminating vineyard selection process, our cellar is state-of-the-art and represents the Klein family commitment to producing the finest wines possible.

THE VINTAGE AND VINEYARD

The 2021 vintage turned out to be a fantastic growing season, with no frost and very mild temperatures throughout most of the year. Sonoma County's unpredictable spring rains ended in March, leading to one of the driest seasons on record. The result was an earlier than average harvest of Bordeaux varietals, with approximately 15% lower yields compared to previous vintages, and dense concentration of flavors. With all things in balance, harvesting for Symmetry took place between September 10th and 25th.

TASTING

The Symmetry is a blend of our best vineyard blocks, cherry picked to showcase luxurious aromas of cassis, bramble, and cacao, which unfold on the palate into silky layers of dark fruits, sweet spices and a supple, rich mouthfeel. This wine is harmonious and elegant with refined tannins and a long, lingering finish, providing a lovely compliment to your dinner table. Enjoy this wine now with beef stew, grilled pork tenderloin or an assortment of roasted vegetables, or cellar for enjoyment for years to come.
