RUSSIAN RIVER VALLEY  
2022 RESERVE CHARDONNAY

“A bright yellow color, the 2022 Chardonnay Reserve leaps from the glass with lush aromas of buttered citrus, popcorn, and ripe pineapple. Medium to full-bodied, it keeps a good deal of focus and a linear feel, and while it’s full-bodied, it delivers a good deal of bright acidity and is more citrus-driven on the palate. I’m impressed with this wine, which will age very nicely over the coming 10-12 years.” — A.F.
